

Warrenton Va.

November 9th 1862.

To His Excellency Isaac Haysburn jun.
Governor of the State of Oregon
Augusta etc.

Governor.

I have the honor to state that the vacancy of 2^d Lieutenant in Company "D" 1st etc Cavalry, occurred in consequence of Lieutenant Vangham promotion to 1st Lieutenant, has not been filled yet.

I most respectfully recommend, Private 2^d etc Carson of the same Company for promotion, he is a thorough soldier of ability and good morals, his services rendered the company, and the Regiment in general, and known to their full extent, only to me and the Company deserve encouragement and notice.

Any other promotion Governor could not coincide with the wish and desire of the Company.

I Obeo Governor
Very Respectfully
W. H. Taylor
Capt. Company "D" 1st etc Cavalry
