Mr. Hodsdon Dear Sir

We wrote to you last June by Mr Butler our select man concerning the money entrusted to Alden Gilchrist of Montville Maine by Jonathan Littlefield and George D Harver and others of the Maine Cavalry and your answer to him was he should hear from you again in a few days but we have not heard since and we would like to know if you have done any thing about it and what prospect there is of doing any thing

Please write and let us know direct to either of us
