1863-09-19 Sergeant Baird requests a furlough for 30 paroled prisoners from Maine
Parole Camp  
Amazilia Ind  
Sept 19th 1863.

His Excellency
The Governor

Sir:

There are at this Camp some thirty Paroled Prisoners belonging to the State of Ohio at the time, a part of the detachment went Home were in the Hospital and knew nothing about the arrangements which were made in regard to Fortonque, being given to Mr. new until after others had gone home.

And now we would most respectfully ask that you will take measures to secure us that privilege at soon as
may be practicable, and think there is no sufficient reason why we should not receive Furloughs as well as those who were so fortunate as to be here at the time.

Should we receive Furloughs we wish also transportation.

As none of us have received pay for a number of months. Your attention is solicited as we think it will tend to improve our health.

In behalf of the men

Very Replt yours

Capt. Berry, W. Baird
