

Buxton Centre.
Nov. 25,

Dear Sir -

You may recollect
that about at A. & States
to you that the 27th Me.
Reg. had no Chaplain.
The 8 of the company
Commander has requested
the Col. to appt. the
Rev. Horace B. Mar-
shall of Buxton -

The Col. detaches a Capt.
Maw to act as Chaplain.
Capt. Maw has now re-
signed & the Reg. is with-
out a Chaplain. I
now submit that the
Reg. should have a
Chaplain & that Mes-
siah should be com-
missioned as he has
^{been}
nominally a secretary

the regulations - I am
the note to remind you
again of the facts in
the law and even the
Gov. should ask you
of the matter - Mr. M.

cannot be surprised
if I am for the place
in any one -

Accept my
thanks for the letter ab.
my friend B. M. Norris

inform me you furnished
him to Gen. Beane in
my behalf -

Yours very truly

Wm H. Sumner
