Gov. Washburn

Dear Sir,

I take the liberty to address you in relation to James C. Patrick; who is a member of Capt. Spiller's Co. in the Maine 5th Regt.

He would like a commission. He is a tall straight good looking man of the right grit. I think he would make a good officer; for further particulars in regard to him I would refer you to Capt. Spiller of Co. C. 5th Maine Regt. -

Yours Respectfully

Garwin Ingalls
