To His Excellency -
Hon. Abner Coburn
Governor of Maine

I take pleasure
in recommending to your
notice Mr. Elisha S. Bisbee
of Peru Maine -

I believe that the said
Bisbee is a Young Man
worthy of promotion -
And that if you should
think proper to confer
on him a Commission of
Captaincy in the 4th. Me.
Regiment of Volunteers -
You will thereby commit

an act of justice to
the said Bishop. in reward-
ing merit - and a favor
to his numerous friends
in this community -

I remain

Very Respectfully Yours
