

say that I regret that before ^{your} letter
of 29 Nov recd. J. P. Carson's letter
had been comd.

Adj. Gen. Mil. Gov. Frederick. Md
Nov 29 - 1862.

Dear Gov,

Your favor of the 20th is at
hand. There are no letters in the
Frederick office for you. Should any
come they will be promptly forwarded.

I fully appreciate your desire
for us to get rid of our scouts &
I am looking anxiously for a bid
for them.

You evidently have
misunderstood my letter of Oct 29th
asking that Clarence D. Ulmer
of Rockland Me. (now acting 2^d Lt.
sergeant 1stth Me Cool) be commissioned
2nd Lt. Co G, via Vaughn promoted.
This had nothing to do with Carson being

being Com, Supy, Second Lieutenant of the
same Co, as your letter would indicate.

I trust on receipt of this you
may ~~send~~ it commissioner Holmes
who is well deserving.

With much regard

Your Obedt Servt
