

Foxcroft July 14. 1863.

Sir:

I respectfully recommend the
Rev^d Alfred C. Godfrey of this town
to be appointed Chaplain in some
one of Reg^ts of Vols. from this State.
When a vacancy shall occur.
He is a Methodist Minister in
regular standing & full of zeal,
energy, activity, benevolence and
patience. I think he is eminently
qualified to discharge the duties
incident to the position with
honor to himself and interest
to the service. I earnestly hope
it may be in your power to
bestow upon him the appoint-
ment, and thereby greatly oblige
him, and
