Wash. D.C.
Dec. 24

Dear Genl. You will do me a great favor
if you push these small claims of mine
before Gen. & Council. I do not wish to
be compelled to put them before Gen. C. & Coun-
cil, as the claims arose in or during
the reign of King Moral: for the
largest allowance is not more than \$80.
be given me.

Yours truly
M. H. Drum
