

Head Quarters Remainder Banks' Expedition,

194 BROADWAY, NEW YORK,

December 15th 1862.

Brig Gen John L. Hodgdon
Adjutant Gen State of Maine

General

I would respectfully ask of you information concerning the Maine Cavalry to join Banks' Expedition. What will be the number of men, of horses & what baggage will have to be provided for in the transports? What progress are you making in raising the Cavalry & when will it probably be ready for the transports?

I am General
Respectfully Yours Cpt. Det.
