

10th Feby 3. 1863.

To Whom it may Concern,

Having signed a
petition for the promotion of Charles T.
Harper in the United States Service - now
understanding that it would not interfere with
the rights of others - and learning that
Mr George C. Hudson has a special claim
to the appointment. I would carefully
recommend Mr Hudson as a resident
of our City and a worthy young man
for promotion.
