

Buxton 17th July 22

My Dear Genl. At your kind Sec for my return
I have held elections of officers in the towns of
Buxton Hollis & Smanglai. In all these
towns a town-meeting is called to transact our
extra business. I made a speech in all
these towns & I trust some very useful
good spirit prevails. Cape Elizabeth
yesterday voted \$100. as a town bounty.
I have met in these towns some excellent
young men who would make good
Quakers & would do good service.

Is there any place for China & on what
 conditions can they get a Commission
 & with ~~out~~ what labor must they obtain
 it. At indication ad my last by you. I
 am ready for service.

Yours truly
