

Bangor, July.. 5th 1864

Dear Gen^l

Please when convenient
consult with the Gov^r in regard to the Forbes
Matter, at all events get up if possible
as favorable a letter as possible that
I may give the same to his mother who
is truly as you are aware a worthy
woman, and in a great of trouble in
regard to her son

Very Respectfully Yours
Chas^r W. Roberts

P.S. Please remember that he fought
as a Sergeant very gallantly at
the first Bull Run Battle which
for a free volunteer should be
accorded to his credit.
