Gen John L. Hodison

Dear Sir. If Capt  
Hutch is withdrawn from Co. G.  
3 Maine, Will not Asher C. Hods  
be in the line of promotion?  
Asher has done his country good  
service thus far, although  
now at home sick, his friends  
have hopes of him. He is a  
True soldier his heart is in  
the work, had we all such men  
as ~~him~~ he Jeff's Minions would  
show up. It seems now, Gen.

that an opening is made, for  
which we have been trying for  
Asher. He has been acting 2<sup>d</sup>  
Lieut a part of the time.

So the best you can for  
him & you will oblige his  
Very friends & your obt servt
