

Camp 5th Regiment Maine Solz
In the field July 24. 1862

To his Excellency Israel Washburn Jr
Governor of Maine ³ Sir

We the undersigned Officers of the 5th Maine Regiment take pleasure in recommending William B. Fenderson Quarter Masters Sergeant of this Regiment as a man in every respects capable and deserving of an appointment as Quarter Master in one of the new Maine Regiments.

Mr Fenderson has been connected with this Regiment in the capacity of Quarter Masters Sergeant nine months in which position he has had ample opportunities to make himself thoroughly conversant with all the duties of the Department. He has at all times and under all circumstances, shown himself a worthy and efficient Officer, and the Government by giving him the appointment recommended, will not only secure the "right man in the right place" but reward one who is well deserving of the position.
