His Excellency

Brasr. Washburn

Governor of Me.

Sir,

I have the honor to present to your favor-
-able notice the name of John "W. Neal of Co^y "C"
1st Maine Cavalry for promotion; He has been attached
to these Head Quarters as Orderly for the past six months
during which time his conduct has been most exemplary
and from what I can learn of his conduct previous to
his joining these Head Qrs it was the same. He is a gent-
-leman both in manners and education, and in every way
worthy, a commission at your hands.

Sir, I have the honor to be

Very resp^l.

Yours Obedt^{ly}
