I. Nye

Maine Central Railroad Company,

TREASURER'S OFFICE.

Waterville, Mar. 24, 1863

Hon. A. Colburn

Dear Sir:

I have no doubt but you will appoint Geo. S. Blake Capt. of Co. H. in the 3^d Maine if you have been informed of matters as they are there.

He is not a personal friend of mine, but I know him to be a smart capable young man, strictly temperate and one who has been through all the fourteen battles with the regiment.

He is now 2^d Lieut.

Yours truly
V. Nye
