

Camp, near Harrison's Landing W.,  
August, 14, 1862.

To his Excellency,  
Israel Washburn, -  
Sir,

Thanks with me for  
intending on you at this  
busy time.

I improve the first  
opportunity I have had to  
procure a certificate from  
Col. Jackson, he having just  
arrived. May I not renew  
the application made by me  
several weeks since, and which  
has been or will be supported by  
friends in Maine.

Respectfully,  
your obt. servt.

A. S. Jaggott  
Capt. Co. E. 60 Maine Vols.
