Dear Sir:

May we add our congratulations to those of your many other friends on your recent book, FOUR TIMES ACROSS THE EQUATOR.

We hope that we will be privileged to add an inscribed copy to the Maine Author Collection. Possibly you know of this project: an exhibit collection of the works of Maine authors, most of the volumes inscribed and presented, numbering several hundred at present.

Of course we are very proud of the achievements of our Maine writers, and we are grateful for the interest and generosity they have shown, not only in presenting us with copies of their books, but also in sending us biographical material for our files.

We would be delighted to add FOUR TIMES ACROSS THE EQUATOR to this collection. Please accept our sincere wishes for the continued success which the enthusiastic welcome for FOUR TIMES ACROSS THE EQUATOR indicates that you may expect.

Very truly yours

Dear Sir:

Some time ago we wrote you regarding your new book, FOUR TIMES ACROSS THE EQUATOR., and expressed the hope that an inscribed copy might be presented to the Maine Author Collection.

We presume that these summer days are full of pleasant activities, and that the matter has been laid aside to receive your attention later.

It is not our intention to be insistent, but the book sounded so extremely interesting to us, and we in Maine do have some claim on you; therefore we hoped that this book might be included in the Maine Author Collection.

We still do hope so, and also that your summer is proving to be a pleasant one.

Very truly yours

Dear Mr. Dunnaack,

Under separate cover we are enclosing, as requested, a copy of our little booklet, "Four Times Across the Equator," same to be included in your "Maine Author Collection".

We compiled this booklet of our impressions of a recent trip around the world primarily for our friends and appreciate your asking for a copy of it. We trust that those who read it will find it of interest and a benefit.

With kind personal regards, we remain,

Very truly yours,

Dear Sir:

FOUR TIMES ACROSS THE EQUATOR has reached the library, and we send you our very sincere thanks for this gift. It is an attractive booklet, and a very interesting one. We are glad to be able, through your kindness, to add it to the Maine Author Collection.

Perhaps at some future convenient time, you would be willing to send us a biographical sketch -- it need not be long, but we would like to have such information about our authors, when possible.

Again, thank you for the booklet, FOUR TIMES ACROSS THE EQUATOR.

Very truly yours
