Hon. A. Coburn,

Dear Sir

I respectfully represent to you, that, George C. Drummond of Winslow, Maine, enlisted as a Private, in Company G. 3rd Maine Regiment, in May 1861: that he served as such, until July 23, 1862, at which time, he was made a Corporal: and has since been promoted to be a Sergeant: that when he left home he was an honest & faithful young man, and report says nothing to the contrary since: that I have heard he has studied, to make himself ac-

acquainted with military tactics
and the Rules and Regulations
of war: and I recommended
him as a suitable person
to receive a Lieutenants
Commission, and I request
that whenever there may
be a vacancy, you will
Commission him as such.

Yours truly,
O. B. Drummond.

I concur in the above
