

Buxton Luke.

Aug. 22. 1862.

My Dear Sir: I take pleasure
in recommending Col. John
D. Hill of Buxton as a
very fit person for Col.
of one of the nine new
Regiments. He has had
experience & would make
a capital officer. I
suppose you are acquainted
with the man - I need say
no more as I have dis-

changed a day - which I
own the cause.

Your very truly
