Hon. Israel. Warkburn

Sir.. In behalf of my son I take the liberty to address you, knowing you to be one that will ever administer justice and listen ^{to} and alleviate suffering humanity as far as it is in your power.

My son Frank. A. Nye enlisted at Bangor Apr. 24. 1861. in the 2d Maine Reg't Co. K. and served 16 months after which time ~~there~~ he was taken Sick and was sent to the General Hospital at Newport News Va where he now is and has been over three months unable to obtain a

discharge, although he has been
condemned by the Drs. who
pronounce his case, liver complain-
t, and diseased lungs - he is a
noble boy - was among the first to
enlist in his country's service
and thinks if he could even get
a furlough and come home, he
would soon be able to again join
his Reg't - I ask pardon for this
appeal, this interruption, but my
son is sick, and suffering, unfit for
duty and he writes me that he knows
not to whom he could apply for ~~an~~
discharge, I knew of none but you
if anything can be done, if you can
do anything for him - that is, obtain
his release from a place where even
a strong man would soon die, do
it and God will bless you

I have the honor to be

Your O^bt Servant

Aug. 24.

My dear Sir,
I have the honor to acknowledge the receipt of your letter of the 21st inst., and am glad to hear that you are a noble boy - was among the first to enlist in his country's service and think if he could even get so far south and come home, he would soon be able to again join his Regt. I ask pardon for this appeal, the interruption, but my dear Sir, I am suffering, and I feel that I ought to show he could apply for his discharge, I know of none but you. If anything can be done, if you can do anything for him, that is, obtain his release from a place where even a strong man would soon die, do it and God will bless you.

I have the honor to be

Yours Obedt. Servant
