Gen J. L. Hodsdon
Adjt Genl of Maine

General:

I have the honor to forward duplicate reenlistments of men from Co. I 20th Regiment Maine Volunteers, under the provisions of General Order No 191 series of 1863 from the War Department.

You will notice that I have not inserted "residences". The enlistment blanks used did not require this, and consequently I am unable to give residences as the ~~furloughed~~ men are now in Maine on furloughs. By referring to the letter addressed to you informing you of enlistments you will be able to ascertain residences which doubtless will answer your purposes for crediting them to the several towns in which they reside. If not please inform me and I will forward "residences" as soon as the men return.

Very respectfully
Your Obt servt
