To the Gov. of State of Maine

The Senior Captains of the
Regiment Davis & Litchfield
are prisoners at Richmond.

If present they would in
my opinion be entitled to
promotion. But as there is
no prospect of their being
released at present, and if
commissioned, they could
not be mustered until they
are released and join the
Regiment for duty, there-
fore respectfully approve and
recommend this petition.

Elijah Walker
Col. 4th Me Vols.

(Over) H. Combs 2nd Brigade
1st Div. 3rd Corps

Head Qrs 1st Div 3rd Corps

I most cordially concur
with Col Walker in his
recommendation, believing
it to be for the interest
of the service
