Dear Genl.

I am desirous to see your last report. If you have a copy, for me please direct it to me at "Dyer's American House" Washington D. C. If you cannot send without prepaying postage, please send by express & I can pay the bill. Do not add the name of my regiment as clerks are apt to overlook all other directions and send to the Army. I am on a General Court Martial here during the inactivity of the the army of the Potomac

Truly yours

G. D. Gilmore
