

To His Excellency
The Governor

the the
the undersigned would present
the name of Forrest T. Douglass
of Mills as a suitable man for a
Lieutenant to fill any vacancy
which may occur. Mr Douglass
has been in the service since a
year ago last May. He has served
with credit in the Battles of Bull
Run, York Town, Hanover Court
House, and the minor skirmishes
before Richmond, in all those
engagements he won the respect
and admiration of his comrades
and particularly his commanding
Officers by his unflinching courage
and bravery. Such a man as
Mr Douglass would, we think, be
admirably qualified to lead our

brave soldiers on the field
of battle, and sincerely
hope you may find a
place for him where he
may render the best service
to his country
