Dear Cousin

Dear Sir

I rec'd your letter
and showed it to Dr. Surgt. A. Palmer
the Surgeon in charge of this Hospital
but I can't get me satisfaction from
him. He still keeps me here and I
am getting tired of being kept
here so long. I don't like to be so
much trouble to you, but I would
like to have you send him a few
lines yourself I think he would
let me go then

I am very respectfully
your obt. Servt
