Camp 4th Maine Vols
Brandy Station Va
Feb. 16th 1864

To.

Adj. Gen. Meason.

Sir

I was commissioned by His Excellency
the late Gov. Roburn. As 2^d Lieut R. Company. 4th
Regt Maine Vols. Commission dated Oct. 9th 1863. But on
account of quating orders from War. Dept. I cannot
be mustered.

I learn that His Excellency. Gov. Conz. is now
forming one or more Regts in the State and that the
idea has been suggested. That those Officers Commissioned
but not mustered. be re-commissioned in the Regt now
forming. Will you have the kindness to inform me
as to the correctness of the report. And if correct
what steps are necessary in order to be
re-commissioned in one of these Regts?

Very Respectfully

Your obt. Servt

James C. Cook
