Dear Sir-

If a
man voluntarily enlists
is he not entitled
to the premium paid
by the State?

I am a
veteran volunteer
reenlisted in the field
without being asked,
and am now at home
on furlough.

Now
if there is anything
that belongs to me in

that way I think I ought
to have it. Will you please
let me know how it is?

Very Respectfully
Your Obedt. Servt.
