

To the Governor & Council

George V Mills of Brooksville
now in the Twentieth Regiment Me. Vols.
enlisted as private in the Second and
transferred to the Twentieth; I would
recommend as a man worthy of promotion
to the Second Lieutenancy in any Regiment
where a vacancy may exist or in any
new Regiment now forming or that may
hereafter be organized.

He has been in and
participated in the usual hardships of
his Regiment and is now in the Twentieth
doing Service.
