General

The friends of 1st Lieut. George L. Crockett Co. "G." 4th Me. Vols. having expressed a desire for his further advancement in one of the Regiments organizing in the State: I would respectfully call your attention ^{to the} services he has performed, and his qualifications.

Lieut. Crockett was mustered as Corporal at the original organization of the Regiment and with the exception of 15 days leave he has been on duty with the Regiment every day since.

He has been in all the engagements, and we can boast of no superior officer, in action, and but few equals. He is a young man qualified to fill any position in a Regiment and it would give me pleasure to see him promoted.

I am sir very respectfully
Yours obt. Servt
Elijah Walker
