March 4/86

Dear Sir

I force
by returned that my Comp'y
is made up though not as
I expected yet I think
it will be satisfactory.

The name of Carver which I
sent you, is Corvael H. I
have just received a letter
from him accepting a place
in my Company, which I enclose.
As it has the "ring of the right
metal", nothing would give
me more pleasure than to see
him provided for in one
of these Regts. I am sorry
to disappoint him. He is brave,

Patriotic, reliable robust, has
~~been~~ shared all the fortunes &
misfortunes of the 2^d Regt with-
stood unscathed the shock of
climate and of battle.

I shall write him, believ-
ing that you will sir, remember
him in your future appoint-
ments and that his patriotic efforts
will not be in vain.

Respectfully,

Geo. H. Brown
Capt. Co "H." 2d. Regt.

His

Excellency

A. C. Brown

Gov. of Maine
