General

I respectfully request
to be furnished with a
 roster of the officers in my
Regt from your office. as
there appear to be a difference
between our books. also to
give you the date of mus-
ter of those that have been
mustered. and cause why
others are not. most of
the late commissions for 2nd
Lieut^s cannot be mustered
at present on account of
the company being below
the minimum. require
sixty three recruits to fill
the company, to that standard.
the Adj^t is at work on the

Monthly returns for August
and September, which have
been lost in transit. He
has been unable to attend
to it before, on account of
the reinforcement and other
duties of his office, which
required his immediate
attendance. we are having
very cold weather and con-
siderable snow. the men
generally are in good health.
