

To whom it may concern -

As my relation to the Regiment has reference to its moral & religious interests, & not to its military bearings, it gives me pleasure to testify to the moral & social qualities of Capt. A. S. Daggett of Co. E of this Regiment.

I have been associated with Capt. Daggett since the organization of the Regiment. During this period, he has uniformly been respectful to religious duties - has been free from propensities - has abjured gambling - been a model of temperance, & studiously set his face against all the vices of the Camp. In these respects - as well as for his fidelity - his influence has been for the good of his Company, & for the benefit of the Regiment.
