We, the undersigned, respectfully recommend

Augusta, Feb. 9, 1864.

Should I obtain a 1st or 2^d Lieut. Commission, it is not
^{intention} my ~~calculation~~ to remain a Silent Spectator to the forming
of the Company to which I am assigned, but shall
immediately take out recruiting papers, and use my
utmost endeavors to obtain recruits; but my situation
is such that I cannot leave a certainly, for
an uncertainty.

Respectfully Submitted,
P. O. Vickery
