

Rockland July 25. 1864

Gen. John L. Kadsdon
Adj. Gen of Me.

Your communication of the 22^d is at hand. I have written Mr. Quimby City Clerk of Belfast, in regard to James M. Calley of Co. A. 4th Me.

I have no list of names of men mustered out. I have tried to get the Monthly reports for May, June & July, of Co. commanders, so that I could consolidate and make my returns complete, which would account for each man by name, but have not been able to get them. On the account of the neglect of Co. officers to furnish me their returns, I have refused to sign their discharges and shall not sign them until they have furnished returns to complete the record.

I am sir very respectfully
Your obt. Servt.
Elijah Walker
