

Rockland Aug. 16. 64

Gen.

I have the honor to acknowledge your receipt for 2 guidons, one regimental & one National color on flag.

The colors & guidons, St. Kaubert is fallen for was drawn of Government about the first of April 1864. I thought as they were not much worn we might have to turn them in to some depts L. K., but concluded to send them with the others to you.

St. Kaubert L. K. & M. forwarded a statement with his returns, in regard to the flags & guidons, which was certified to by me, that they had been sent to the State House in charge of the Adjt. Gen. of the State. We supposed that would be all that would be required, but his returns were returned, requiring a receipt from you.

The two colors most worn were presented to the Regt at N.Y. City, by citizens of N.Y. & Brookline, formerly residence of Maine. They were carried over.

by the Regt until about the last of March  
1863. The other color, stars & stripes, was de-  
scribed of Government, March, 63, and ~~was~~ was  
used by the Regt until April, '64. I think  
Adj't Sawyer receipted to L. K. J. C. Abbott for it.  
I do not know how he has accounted for it  
in his returns. I think his accounts are not settled  
and he may be obliged to get a receipt for  
it. The colors sent you are all that has  
ever been used by the Regiment.

I am Sir respectfully,  
Yours obt. Servant  
Elijah Walker  
Late Col. 4<sup>th</sup> Me. Vols.
