General Hodgdon,

Sir,

Could you inform me if Christopher Martin of Northport has been reported to you as reenlisted into the Seventeenth Maine Right Co. D. Sometime in July 1864, and since reported dead, now in New York. If you could give me any information I regret this reenlisting you would oblige.

Dear Sir,

The meeting of the Sleeping Society was quite successful and the discussion of the dreams and symbols was very interesting.

I have been musing about the relationship between dreams and reality. It seems that dreams can be seen as a reflection of the subconscious mind, which is influenced by the external world.

Yours sincerely,
