Wilmington, Vermont, March 1st 1865.

Adjutant General,
State of Maine,
Augusta,

Dear Sir:-

We have been employed, as Claim Agents, to obtain the government bounty and back pay of William Morris, Co. I, 4 Maine Vols.

It appears by a letter written by you, dated Sept. 10. '64, that said Morris was killed in action 'Wilderness', May 5. '64, and this being so, we desire to ascertain the name of the Captain or other officer in command of the Company at that time, for the purpose aforesaid.

William Morris was a private therein.

Hoping your office will cheerfully furnish the desired information,

We are, very Respectfully,

Your Obedient Servants,
Flagg & Son,
Atty's at Law.
