Gen. John G. Woodson

My Dear General

I hoped to have had an opportunity for further conversation with you before you left Washington, in relation to the necessity of having my regiment filled up at an early day - I trust you will give it your attention & by so doing you will place me under renewed obligations to you for kindness rendered me since I have been in the Army.

I do not want a new company assigned to my regiment if it can be filled up without, as I have Officers and non-commissioned officers, who are capable & efficient.

With high regard you

Obt. Servt.

Chas. D. Gilmore
