PLAINTIFF'S ORIGINAL COMPLAINT

Plaintiff the State of Maine, acting by and through its Attorney General Aaron M. Frey, complains of Retrieval-Masters Creditors Bureau, Inc., doing business as American Medical Collection Agency, and respectfully would show the following.

PARTIES

1. Plaintiff the State of Maine, acting by and through its Attorney General Aaron M. Frey, brings this enforcement action in the public interest alleging violations of the Maine Unfair Trade Practices Act, 5 M.R.S.A. §§ 205-A *et seq.*, as detailed below in connection with a data breach disclosed by Defendant in June 2019.

2. Defendant Retrieval-Masters Creditors Bureau, Inc., d/b/a American Medical Collection Agency, is a New York corporation with a current principal place of business at 200 Pemberwick Rd., Greenwich, CT 06831 and a previous principal place of business at 4 Westchester Plaza, Suite 110, Elmsford, NY 10523.

Defendant collected medical debts on behalf of healthcare providers under the name American Medical Collection Agency ("AMCA") from consumers across the country, including residents of Maine.

10. In June 2019, Defendant publicly disclosed that between August 1, 2018 and March 30, 2019, an unauthorized user had gained access to Defendant's internal system (hereafter "Data Breach").

11. Defendant further disclosed that the intruder had gained access to records with the personal information of approximately twenty million individuals from whom Defendant was attempting to collect payment on behalf of medical providers. The information included names, dates of birth, social security numbers, financial information, and medical information.

12. On or about June 6, 2019, Defendant began mailing notice of the Data Breach to over seven million affected consumers. These notices included an offer to affected individuals of consumer credit monitoring for two years.

13. In the regular course of its business, Defendant collected and maintained the personal information of individuals located in Maine and throughout the country, to include dates of birth, social security numbers, financial information, and medical information (hereafter "PI").

14. Defendant's conduct in collecting and maintaining PI was subject to the requirements of Maine law, which requires that a business implement and maintain reasonable procedures to protect from unlawful use or disclosure any personal information collected or maintained by the business in the regular course of business, including information that identifies an individual and relates to the provision of health care to the individual, and was further subject to the requirements of the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations. *See* 45 CFR Parts 160 and 164.15. Defendant

represented on its website that it was compliant with all applicable Federal and State laws. It also accepted payments by credit card, thus directly and indirectly representing that it was compliant with the Payment Card Industry Data Security Standard ("PCI DSS"), which is a set of security standards designed to ensure that all companies that accept, process, store, or transmit credit card information maintain a secure environment to safeguard such information throughout the transaction process.

16. Defendant engaged in trade and commerce and did business in the State of Maine including by acting as a Business Associate, as defined by HIPAA, and collecting debts in this state on behalf of medical providers.

CAUSES OF ACTION

17. The State of Maine re-alleges and incorporates by reference each and every preceding paragraph of this petition.

18. The State of Maine further alleges that Defendant has, in the conduct of trade or commerce, intentionally engaged in false, misleading, unfair or deceptive acts or practices in violation of the Maine Unfair Trade Practices Act, 5 M.R.S.A. §§ 205-A *et seq.* More specifically, Plaintiff alleges that contrary to its representations, Defendant failed to comply with requirements to safeguard the personal information of consumers, including the requirements of HIPAA and its implementing regulations.

PRAYER

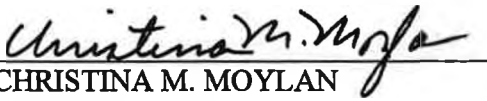

20. WHEREFORE, Plaintiff prays that this court will award judgment for the Plaintiff and against the Defendant and enter an Order:

- A. Finding that Defendant intentionally violated the following state laws: the Maine Unfair Trade Practices Act, 5 M.R.S.A. §§ 205-A *et seq.*;
- B. Enjoining Defendant from engaging in the deceptive acts and practices alleged herein;
- C. Requiring Defendant to pay a penalty of up to \$10,000 per violation of the Maine Unfair Trade Practices Act; and
- D. Requiring Defendant to pay all attorneys' fees and costs 5 M.R.S.A. § 209.

21. The State further prays that this court grant all other relief to which the Plaintiff may show itself entitled.

(*see*, Appendix B).

D. INJUNCTIVE RELIEF

a. Compliance with State and Federal Laws

28. Defendant shall comply with the Consumer Protection Acts, the Personal Information Protection Acts, and the HIPAA Privacy and Security Rules, to the extent they each are applicable to the Defendant, in connection with its collection, maintenance, and safeguarding of Personal Information and Protected Health Information from any future

breach of security involving the unauthorized disclosure of PI or PHI. As part of compliance with the Consumer Protection Acts, the Defendant shall not make any misrepresentations to consumers or to Covered Entities about the extent to which the Defendant can maintain the privacy and security of PI or PHI.

b. Information Security Program

29. To the extent that Defendant or its Principals currently or in the future manage or have principal responsibility or oversight for data security or privacy compliance in a business or have a controlling or managing interest in a business which collects or maintains Personal Information or Protected Health Information, they shall within sixty (60) days of the effective date develop, implement, and maintain a written information security program (“Information Security Program” or “Program”) that is reasonably designed to protect the security, integrity, and confidentiality of PI and PHI that they collect, store, transmit, and/or maintain. At a minimum, the Program shall include the information security requirements in Paragraphs 30 through 33 below.
30. The Program must be documented, in writing, and must contain administrative, technical, and physical safeguards appropriate to (i) the size and complexity of the business; and (ii) the sensitivity of the PI and PHI that Defendant collects, stores, transmits, and/or maintains.
31. The Program shall permit users access to PI and PHI only to the extent necessary for each user to perform job functions and assignments.
32. The Program shall require the employment of a person who will serve the function of a Chief Information Security Officer (CISO) with responsibility to implement, maintain, and monitor the Program. The CISO shall have appropriate training, expertise, and experience in the field of information security to oversee the Program and further, will be charged with

regular and direct reporting to the Chief Executive Officer regarding the status of the Program, the security risks faced, resources required for implementation of the Program, and the security implications of Defendant's business decisions. At a minimum, the CISO shall provide a written report to the Board or Chief Executive Officer and Chief Financial Officer on a quarterly basis.

33. The Program shall include a documented written incident response plan to prepare for and respond to any future Security Events. At a minimum, this plan shall provide for the following phases of a response: Preparation; Detection and Analysis; Containment; Notification and Coordination with Law Enforcement and Regulators; Recovery; Consumer Notification and Remediation; and Post-Incident Analysis.

c. Information Security Program Assessment

34. Within one hundred twenty (120) days of the Effective Date and annually for seven (7) years thereafter, with respect to any business which Defendant owns, has a controlling interest in, manages, or controls, Defendant shall obtain an annual assessment of its Program pertaining to the collection, storage, maintenance, transmission, and disposal of PI and PHI from a Third-Party Assessor.
35. The Third-Party Assessor shall prepare a report of findings ("Report") and such report must include an assessment of Defendant's compliance with each of the requirements of this Judgment; an assessment of Defendant's response to any Security Events which may have occurred since the Effective Date; and documentation of the basis of the Report.
36. Each report shall be provided to the Connecticut Attorney General no later than fifteen (15) days after its completion. The Attorney General's office shall, to the extent permitted by state law, treat each report as exempt from disclosure as applicable under the relevant

public records laws of its state, provided that the Attorney General may provide a copy of each report to any of the Participating States which request the report. Each participating State requesting the report shall, to the extent permitted by its State's law, treat such report and letter as exempt from disclosure as applicable under the relevant public records laws of the requesting State.

E. COOPERATION WITH ATTORNEY GENERAL

37. **IT IS FURTHER ORDERED** that Defendant shall cooperate in good faith with the Plaintiff in connection with any other investigation or litigation related to or associated with the Data Breach described in Plaintiff's Complaint. More specifically, Defendant and its Principals' cooperation shall include, but not be limited to, the following:

- a. Responding to all reasonable inquiries for information from the State;
- b. Providing documents and other materials, including records and other tangible evidence reasonably requested by the States, including documents which Defendant was ordered to produce to MDL Parties pursuant to the order entered on June 17, 2020 in the Bankruptcy Proceeding (*Order Granting Joint Motion and Determining, On Conditions Set Forth Herein, That the Automatic Stay Does Not Prevent Service Of Third Party Subpoenas On The Debtor*).
- c. Providing the State with access to the Servers including access so that these can be imaged at the expense of the States and at a date and time agreed to by the Parties;
- d. Providing truthful declarations, affidavits, certification, and written testimony that may be reasonably requested by the State;

- e. Appearing, or causing its Principals to appear, and provide truthful testimony in interviews by telephone or video conferencing including at any trial, deposition, or other proceeding, without the service of a subpoena, as may be reasonably requested by the Attorney General's Office and at the expense of the Attorney General's office; and
- f. Making a good faith effort to cause or otherwise facilitate its Chief Oversight Officer, employees, representative or agents to similarly appear and provide testimony including by providing the State with contact information (e.g. address, email address and cell phone number) of such employees, representatives or agents.

38. For the avoidance of doubt, Defendant's obligation agreed to in the preceding paragraph is intended to incorporate the requirements of the June 17th Order such that:

- a. Defendant shall promptly produce to the States copies of all electronically stored information and all hard copy documents in repositories, in each case in its possession that may contain documents or information responsive to the Subpoenas issued by the MDL parties as identified in the June 17th Order. Provided, however, that this paragraph requires Defendant to produce only such documents and information as Defendant produced to the MDL Parties and that production to the Participating States will be coordinated with the States of Indiana, Connecticut and Texas which, in accordance with their respective state laws and procedures, will make the documents available to other states. In the event that a single production to the States will require Defendant to incur costs in excess of \$1,000.00 or

that the total costs of all production pursuant to this paragraph require Defendant to incur costs in excess of \$ 2,500.00, Defendant will provide notice of such to the States of Indiana, Connecticut and Texas prior to incurring such. Defendant and these States agree to confer regarding mutually acceptable options to reduce or eliminate such costs for the Defendant, including, but not limited to, modifying the production request, finding alternative means of production, and/or the States bearing such costs. If Defendant and these States are unable to agree regarding a mutually acceptable means to reduce or eliminate such cost, the Participating States shall not deem Defendant's failure to produce a failure to cooperate as required by this Section.

- b. Defendant shall preserve all repositories that may contain documents responsive to the Subpoenas.
- c. Further, this specific production shall be deemed a supplementary response to the Civil Investigative Demand (CID) issued to the Defendant by the State of Indiana on June 10, 2019 subject to the relevant state law including the confidentiality protections of that state and any disputes which may arise regarding compliance with the CID or the rights and obligations of the Parties shall be determined by the appropriate state court of the issuing state consistent with the terms of this Agreed Final Judgment.

- 39. Defendant shall maintain the Servers in a secure manner at the locations disclosed in Defendant's supplemental CID response of August 2020. In the event that Defendant intends to relocate the Servers from locations reported in that response, Defendant shall

provide notice of that proposed relocation to the Attorneys General of Indiana, Connecticut, and Texas at least ten (10) business days prior to that relocation. In the event that Defendant loses ownership, leasehold, or control of such location or that the Servers are damaged, destroyed or compromised, Defendant shall provide notice and details promptly to the Attorneys General of Indiana, Connecticut, and Texas.

40. Defendant shall securely maintain all documents, reports, and records containing information or data evidencing and related to the Data Breach including data which reflects:

- a. the names and related or associated information of all consumers whose information was compromised in the Data Breach (Consumer Information);
- b. the policies and procedures related to any aspect of Defendant's information security program as it existed prior to the date of the Data Breach;
- c. logs, internal, and external communications related to data security issues or concerns including communications with or regarding the Covered Entities on whose behalf Defendant engaged in debt collection activities; and
- d. any audits performed by Covered Entities and communications to and from Covered Entities regarding the Data Breach or relating to data security.

41. **IT IS FURTHER ORDERED** that Defendant shall notify Plaintiff at least thirty (30) days prior to any change in the corporation that may affect compliance obligations arising under this Judgment, including, but not limited to: a dissolution, assignment, sale, merger, or other action that would result in the emergence of a successor corporation; the creation or dissolution of a subsidiary, parent, or affiliate that engages in any acts or practices subject

to this Judgment; the proposed filing of a bankruptcy petition; or a change in the corporate name or address.

F. RELEASE

42. Plaintiff hereby releases Defendant and its Principals in their capacities as officers, directors, or employees of Defendant from any and all civil claims that the Attorney General could have brought that are related to and/or arising from the Data Breach, including but not limited to, any claims under the Consumer Protection Act, Personal Information Protection Act, and HIPAA. Nothing contained in this paragraph shall be construed to limit the ability of the Attorney General to enforce the obligations that Defendant, its officers, subsidiaries, affiliates, agents, representatives, employees, successors, and assigns have under this Judgment.
43. Notwithstanding any term of this Judgment, any and all of the following forms of liability are specifically reserved and excluded from the Released Claims:
 - a. any criminal liability that Defendant has or may have in the Participating State;
 - b. any civil or administrative liability that Defendant has or may have to the Participating State under any statute, regulation or rule not expressly covered by the release in the preceding paragraph 42, including but not limited to, any and all of the following claims:
 1. state or federal antitrust violations,
 2. state or federal securities violations, and
 3. state or federal tax claims.

44. This release shall be binding only upon Defendant and does not extend to, release, cover, or in any way apply to any entities on whose behalf Defendant acted as an agent or Business Associate or on whose behalf it engaged in debt collection activities.

G. PAYMENT TO STATES

45. Judgment is hereby rendered against Defendant and in favor of the Plaintiff in the total amount of \$171,119.85. Collection of this civil penalty is suspended subject to the provisions noted below:
- a. The Plaintiff's agreement to suspend collection of this judgment is expressly premised on the truth and accuracy of all sworn statements, declarations, and related documents submitted to the Bankruptcy Court by the Defendant.
 - b. Suspension of judgment will be lifted if, upon motion by the Plaintiff, the Court finds that Defendant failed to disclose any material asset, materially misstated the value of any asset, or made any other material misstatements or omissions in its representations filed in the Bankruptcy Proceeding.
 - c. Suspension of judgment will be lifted if, upon motion by the Plaintiff, the Court finds that Defendant has failed to comply with the requirement of Section E, provided that prior to filing such motion, Plaintiff shall provide Defendant with written notice of the alleged failure and fifteen (15) business days to cure the failure or provide a written response to include documentation of compliance.
 - d. If this suspension is lifted, the Judgment amount becomes immediately due and payable to Plaintiff.
