Dana's letter Sept 13/64

Dr Sir

Lancaster  
County has been declared!  
all our officers are elected!  
(except perhaps County Atty)

I am regretted to  
inform you that Lieut.  
Wm. Bickford of the 20th  
Regt is a wild traitor. I have  
not heard any conversation  
with him. but some of our  
most reliable men have  
represented to me today, that  
they had him last night utter  
the vilest treason they have  
heard since the commencement  
of the war. We are informed  
by him that he is expecting  
promotion in his Regt

I am  
Very Resptly  
Yours  
Wm. W. W.
