

Answer

Washington College July 12 1863.

Dear Sir

Pardon me for the liberty I take in writing to you although I trust you will. My husband Charles M. Coburn enlisted in Portland two years last month in the 5 Maine Regt. <sup>Co. D</sup> the last time I heard from him he was sick in one of the Washington Hospital since then I see the death of C M C in the paper but do not know whether it is him or not. I wrote to the Col and the Capt and they could not inform me. I have been informed that you could inform me all the particulars. Will you please do so if it is Charles M. Coburn 5 Maine and the name of the hospital he died in you will confer a favor on Mrs Lizzie Coburn Washington College. N. B. Ward Court.
