A REAL OLD-FASHIONED G. O. P. LOVE FEAST

Prominent Members of Republican Party Make Merry at a Shore Dinner at the McClellan House Monday Evening
---Progressives Invited

A good old-fashioned Republican get-together with a few of the most prominent Progressives as invited guests was held last Monday evening at the McClellan House on Summer street. Mr. W. H. Littlefield made arrangement for some twenty-five persons to enjoy one of the famous shore dinners for which this hostelry is noted.

Supper was served about 8. p. m. after which speech making, mostly along political lines, was indulged in until midnight. No reporters were invited and members of the G. O. P. are rather non-committal about the affair while the few Progressives, being invited guests, do not wish to give out any information. Presumably the affair was held as a send off for candidate Ed. I. Littlefield who is running for high sheriff.

Those present were:—

Mr. W. H. Littlefield
Mr. E. I. Littlefield
Mr. Clarence Webber
Mr. Joshua Clark
Mr. B. A. Smith
Mr. W. A. Tripp

ACCIDENT PROVES FATAL

Mr. Charles William Roberts, who received a short time ago, the fatal accident which resulted in his death at the Maine General Hospital in Portland on Tuesday, was born in Alfred, March 28, 1875.

Mr. Roberts was a highly esteemed man in the church and community. He was prominent in Masonry at the time of his death being Master Mason of the local lodge.

Although rather of a retiring disposition he had many warm friends, who deeply mourn with the family, his untimely death. A widow and one daughter, Miss Elsie survive.

The funeral services will be held in the Congregational church Thursday afternoon, and will be conducted by the pastor, Rev. C. H. McVey assisted by Rev. Mr. Sloughton of Alfred an old friend of the deceased.

The Masons will have charge of the ceremony at the grave.

PECULIAR ACCIDENT

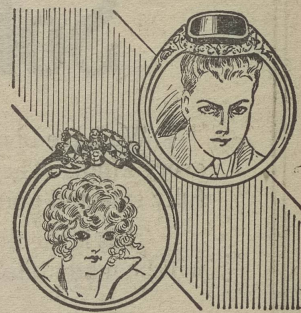

Little Robert Webber, the youngest son of Mr. and Mrs. Clarence Webber met with a painful accident today while playing around a clothes wringer. In some way the child fell in such a way as to move the handle of the wringer and his cheek was drawn into the gearing and badly cut so that it was necessary for Drs. Barker and Bourne to take eight stitches in the wound. The accident was a most unusual one.

The Delta Alpha Club with Mrs. Joseph Hammond, were entertained last evening at the home of Mrs. Minetta Moore. The entertainment took the form of a Christmas party and the drawing of prizes caused much amusement. Stories were told and light refreshments of sandwiches, cake and cocoa served. There were 20 present.

Shamrock Linens

The backbone of our Linen line is the linen made by John S. Brown & Sons, of Belfast, Ireland. The trade mark, "Shamrock," has the same significance wherever linens are used as "sterling" has on silver.

Our display expresses the Christmas spirit—the spirit and inspiration of giving. Prices are very fair, too.

Gifts For Men

It's real enjoyment choosing a man's gift here from these big Christmas assortments. From among the many we suggest:

Kleaver Kraft Silverware, too, is on display in a superb assortment of gift suggestions. The dark, rich-looking Gurnsey earthenware and the sparkling cut glass linings, mounted in the glowing silver holders present a most pleasing appearance—and are an expression of the taste and individuality of the giver.

CHURCH NEWS

M. E. CHURCH NOTES

"Man is a creature ruled by habits" is a very true saying. The habit of church-going is worthy of cultivation. This church invites your attendance and offers to share all its benefits. Next Sunday afternoon the pastor will preach on "What God Says About the 'Take-It-Easy' Man."

Attendance at the Bible Study hour is on the increase. There is a place for you.

At the social meeting in the evening an opportunity is given for everyone to take part. Some new song books are ordered for use in the opening praise service.

The Epworth League social, held last Monday evening in the church vestry, was well attended and was much enjoyed. Songs, a solo by Miss Mildred Clark, games, a reading by W. T. Kilgore, and refresh-

ments provided entertainment. The reports given in the business meeting showed a prosperous condition. It was voted to purchase new song books for the Sunday evening meetings. Also a gift of \$2 was voted to the Maine Deaconess Association.

The Ladies' Aid Society will hold its semi-monthly social on Thursday evening at the home of Mr. and Mrs. Charles Cousins.

The annual meeting of the trustees of the Methodist Episcopal church was held on Tuesday evening. It the absence of the president, the pastor presided. The financial reports showed a very prosperous year. Mr. Charles Bowdoin was elected president and Mr. O. E. Curtis secretary and treasurer for the ensuing year. Mr. Bowdoin was authorized to sell an Estey organ belonging to the society.

The monthly meeting of the Mothers' Club connected with the Methodist church met at the home of Mrs. W. G. Kilgore this week

and 14 mothers were present at the meeting. The subjects under discussion were "Anger, Cross, Effect and Control," after which there were readings, duets and a social time, with light refreshments enjoyed. The meeting was a most pleasant and profitable one.

BAPTIST

Sunday morning service at 10.30.

Evening service at 7.00.

Sunday school follows morning service.

Wednesday mid-week service, 7.30.

The Kennebunk Baptists' Brotherhood class held another meeting last Monday evening in the chapel to perfect the organization of the class. The Committee on Constitution and By-Laws made a report and the report was accepted and adopted with a few minor changes. The church orchestra assisted in making the evening pleasant by music. The meeting adjourned

to meet next Monday at 7.30 p. m.

You can tell which way the wind blows by watching the direction the trees bend and the straw flies. It is also true that you can usually tell much about the character of people by the direction they habitually take on Sunday morning. It can be said to the credit of Kennebunk that it is a church-going community and that the large proportion of the people are church going people. We are anxious to better our name so we can say that all our people attend church. We ask the co-operation of all that we may reach this high

THE OGUNQUIT NEWS

DEVOTED TO THE INTERESTS OF OGUNQUIT AND WELLS

OGUNQUIT LOCALS

Mrs. Irvin Hutchins is away on a vacation.

Rev. E. H. Macy and Miss Ruth F. Macy were recent visitors in Portland.

Mrs. Herbert Perkins is improving slowly. We all hope for her speedy recovery.

Miss Dorothy Perkins is able to be about again following recent sickness.

Mr. and Mrs. Oren Littlefield entertained a party of ten of their relatives Thanksgiving Day.

The annual "Christmas Tree" of the Christian church will be held the night before, Friday, the 24th.

Mrs. Henry Weare is soon to entertain the Soap Club and they are planning on a bountiful supper.

Mrs. Raymond Brewster is much better at this writing. Raymond, her husband, can't be beat as a cook.

Mr. Roy Knox of Lynn, a former parishoner, was a Sunday visitor at the parsonage of the Christian church.

Mr. Herbert Tufts has left for Cuba for the winter but we are very glad to have remain with us his wife and children.

W. F. Cousens is to begin work on a very nice garage but it will have to be a fine one to beat Dr. Gordon's opposite. Mr. William Perkins is to build it.

A goodly number attends the Tuesday evening prayer meeting in the Methodist church. All are welcome. Come everyone and enjoy the good things with us.

Mrs. Moses Webber was made very happy Sunday when nine of her friends called at once to see her. Mr. Webber is also very poorly but he is always cheerful and happy and enjoys company. An invitation is given to everyone to call to see them.

Mr. and Mrs. Grover Perkins entertained a party of friends Monday evening. A Surprise party was given to about 40 young people. A very handsome chafing dish and spoon was given them. Refreshments were served and a very pleasant evening was enjoyed. There is always assured a good time with Grover and Esselyn.

The Pollyanna girls' club meets this week with Mrs. E. T. Weare. They have something to look forward too every week as they enjoy the club so much. Miss Grace Weare looks after them this month, and they all appreciate her kindness toward them. Mrs. Sadie Grant did her work with them last month wonderfully well and they wish to thank her heartily for same.

Mr. and Mrs. David Littlefield are mourning the loss of a daughter. The whole community are bereaved.

"A little one from our has gone, A voice we loved is still, A place is vacant in our home, Which never can be filled."

All of Moses Frank Littlefield's friends are rejoicing with him. Why! Because his cat has returned after staying away two nights and a day. The cat was located on the top of a telephone pole crossbar and Mr. Moses Frank worked hard to get her down, but at last but not least he got his brain at work and with a basket, some rocks and a line went out and rescued the kitten. Mr. Littlefield himself believes in cold air treatment but he doesn't want to punish his poor poor little kitty cat.

Selectman J. E. Brewster has been looking over the trees in Ogunquit this week and report the gypsy moth very plentiful and Monday of this week had a large crew of the State gypsy moth men here and they are going to go over the village thoroughly and will no doubt do some fine work. The moths are so thick that Mr. Brewster found in several cases hundreds of the Gypsy nests on the sides of cottages. It is his intention to clean them thoroughly. The work certainly calls for a lot of conscientious labor and we feel that Mr. Brewster will see to it that it is properly seen to and he will be rewarded later.

We were glad to see Mr. George out Sunday.

Clams just now are very scarce on Ogunquit flats.

Andrew Whetlock was married, it is rumored, Saturday.

Mrs. Joseph Littlefield's cold is much better at this writing.

Mrs. J. Raymond Brewster is improved from her recent illness.

Mr. Lincoln Maxwell has purchased a fine cow of Jeremiah Perkins.

Dr. Smith has had some very hard cases of late but is having wonderful success.

Dr. Gordon is expected home this week. We shall all feel delighted at his return.

Beside other improvements, electric lights are being installed in the parsonage of the Christian church.

Mr. and Mrs. E. A. Hubbard of Lynn, Mass., former parishoners, spent a recent day at the parsonage of the Christian church.

Morris Gould has moved his family from John Jacobs' cottage to Winnie Littlefield's cottage.

Mr. Shorey is expected home Christmas. We shall all be glad to see Molly home again with us.

George Adams has recently sold his motor boat and the buyer was a lucky chap for the boat was a fine one.

Work is nearly completed on the Methodist church. Shingling has been done and a marked improvement it is, too.

Ray Hanscom has just had a new fireplace installed in his home and is now enjoying many happy hours by the fireside.

Don't forget the prayer meeting at the Christian church on Thursday eve. It is blessed to meet together in unity.

We all miss Mrs. E. R. Hoyt enjoying her electric automobile on our roads. She is now in Florida for the winter.

Mrs. Theo Phillips has been seriously sick but is very much improved and we hope soon to have her about again with us.

Mrs. Walter Perkins, who has been very sick at their beach home, was recently moved, in the big Maxwell auto, to her home on Scotch Hill.

A drama for the benefit of the grange by the young people of the same is about to be started. Hurry up, Girls, we are anxious for it.

We are very glad that Ed. Knights and wife have decided not to go to Boston for the winter for they are neighbors we don't want to spare from our community.

Miss Arlene Perkins was with us Sunday as usual and when it is impossible for her to reach Ogunquit she has an organist take her place, so we do not worry about who will play.

Frederic A. Whiting, one of our summer residents, we hear from occasionally. We enjoy reading his words if we cannot see his smiling countenance, but we are going to cheer up and hope for his return in the spring.

Rev. E. H. Macy and Miss Ruth spent last Friday in Kittery and Portsmouth and renewed many former acquaintanceships. For about seven years, Mr. Macy was pastor of the Second Christian church of Kittery.

A large congregation heard the pastor's sermon last Sunday morning at the Christian church subject "The Man Men See and The Man Jesus Sees." Text Matt. IX. Subject in the evening, "Life's Story Book." Communion followed the morning service.

The Firemen will hold their 6th annual ball in Firemen's hall on Dec. 23rd. A very interesting evening is being planned. Music from out of town will be had. Everybody should buy a ticket if it is not possible to attend. The summer people who own cottages here are inquiring the date. They are anxious not to be left out for they want to help such a worthy cause.

John Kendrick Bangs Scolds "Muckrakers"

Ogunquit readers will be interested in the following item taken from the Boston Sunday Herald of December 6th.

Speaking at the 33rd annual dinner of the Beacon Society of Boston at the Algonquin Club last night, John Kendrick Bangs, scolded the "muckrakers" who say that our national character is not as good as it used to be.

"That calumny," he said. "has of late become a sort of a commercial proposition with certain critics who would deny us the possession of culture, humor, chivalry and self-control. In the last year I have travelled over every part of this country, and stood prepared to give those muckrakers the lie."

A very practical gift is a Wear-ever hot water bottle, sold by Fiske, the druggist, "on the corner," Kennebunk. Adv.

Gave His Reasons

A minister in giving up his charge once said. Brethren I have decided to leave the field of labor. There are many reasons for this. You do not love me for you have not paid me a cent on last year's salary. You do not love one another for there has not been a wedding in this parish for many months. God does not love you for there has not been a funeral since I came here. You do not love God for you are doing nothing to promote His Kingdom here on earth. I have decided to take the position as chaplain at the state prison, and will preach my farewell sermon from the text, I go to prepare a place for you. The choir will now sing "Meet Me There."—Exchange.

"WHAT IS HOME?"

A few years ago a London magazine sent out one thousand inquiries on the question: "What is home? Eight hundred replies were received out of which the following gems were carefully selected:

"Home—a world of strife shut out, a world of love shut in."

"Home—the place where the small are great, and the great are small."

"Home—the father's kingdom, the mother's world and the child ren's paradise."

"Home—the place we grumble the most and are loved the best."

"Home—the center of affection round which our heart's best wishes twine."

Home—the place where our stomachs get three meals a day and our hearts get a thousand."

This is the age of girder, beam and rail.
We have forgot some things that once we knew.
Some books are closed: we read a different tale.
Brown smoke curls where the virgin wind once blew.
But year by year when Winter, from his cave,
Sweeps out and sets his chill upon the air,
We still bethink us what the Christ-month gave.
And what it brought to us, we tender fair.

The children are as new as rail or beam—
More new than last night's snow upon the street.
And they, and not the rails, are all our dream:
The rails are but the passage for their feet.
Our Christmas shall live again in them,
With all the added Christmas of this time.
The day of steel, the day of Bethlehem,
Linked, joyous, bridging far from clime to clime.

Let us fare out into the eager throng,
And find renewal in the shining eyes,
And catch the treble ecstasy of song,
And drench ourselves in laughter and surprise.
This is the breath—this is the soul—of things.
It shall go on when iron husks are shed.
The rose, the dove, the biplane, all have wings.
Let us the children feed, and so be fed!

POTTER'S BARGAIN STORE, Kennebunk

THE HOLIDAY SEASON IS ONE OF DISAPPOINTMENT In Many Homes IT IS THE CURSE OF LIQUOR

Everyone knows that liquor causes much unhappiness, but few realize how great this unhappiness until it is brought right home to them through some of their loved ones or friends.

Many families are unhappy today when they should be enjoying this Holiday Season; more than that, many are without food and clothing because the money that should be spent for clothing and food has gone for liquor, to satisfy what is almost a selfish desire of their provider but a desire which he is unable to overcome without scientific help.

Everyone who is afflicted with the curse of the "Drink Habit" and all their friends and loved ones ought to know that the Neal Treatment will eradicate this habit from the system in a very few days restoring the pa-

tient to normal.

Think what this means to thousands of sufferers, their families and friends, and investigate the most scientific and successful treatment of the "Drink Habit."

Our Institute is always open and we are glad to explain to everyone our entire method, which is so successful that Institute are now established all over the world.

You ought to know about the Neal Treatment as everyone ought for it is the greatest blessing given to mankind in many, many years. It has been approved and adopted by the government of one of the largest and most progressive countries.

You are invited to inspect our Institute at any time and we shall be glad to give you full detailed information.

The Neal Treatment Overcomes the Liquor Habit

PORTLAND NEAL INSTITUTE

THE NEAL TREATMENT consists of harmless vegetable medicine, administered by mouth. There are no hypodermics. All effect of past indulgence is removed, and the patient returns to normal, physical and mental condition so far as the effects of Alcohol are concerned.

Our Institute is the ideal resort for the business or professional man, who wishes to be entirely freed from the Liquor or Drug Habit. The strictest privacy is guaranteed, and the short time required does not seriously interfere with his business or social obligations.

Our Institute is in no way like a hospital, but rather a first-class club or hotel. Excellent service, meals served in private room, and no restrictions whatever.

Our fee for the treatment of either Liquor or Drug Addiction covers board, room and attendance. No extras. All communications and inquiries are held in strictest confidence. Positive proof of the efficiency of the Neal method of treatment sent upon request.

CHRISTMAS BELLS

HERE are Christmas bells and bells.

The real Christmas bells ring out only in the morning of the sacred day. The other bells ring from morning until night. After which they jangle through one's dreams.

The Christmas doorbell is a great institution. It is the busiest bell of the lot. All day long the doorbell has pressing engagements. When the doorbell rings on Christmas day, everybody gives heed to its sweet sounds. And everybody rushes to the front door as if the house had caught on fire, and that was the nearest exit. The doorbell has everyone in the family hopping as if they were so many trained ducks.

There are two reasons why the Christmas doorbell is a welcome visitor when it jars upon the ear. In the first place, you know that no bills are going to be presented by the caller at the door. In the second place the doorbell may announce the arrival of a package.

A sawed-off express wagon driver, with a chunky, holly-bound package under his arm, can get more attention on Christmas day than the governor of the state, surrounded by his military staff and preceded by a Chinese orchestra, playing "Tippelally."

The package the expressman or mail carrier brings, is seized by a

dozen eager hands. It is strange how ready everybody is to help in relieving the deliveryman of his 12-ounce burden. Then the package is conveyed in state to the inspecting department. It is opened with nervous anticipation, and there is great rejoicing when it proves to be a knitted muffler for father from Aunt Jessica. The muffler is as large as a young hammock, and is pinker than pa's cheeks when we all insist that he try it on.

If there is a grown-up daughter in the family, she beats all records getting to the door when the bell rings on Christmas day. If anybody beats her to the knob, it is not her fault, as she slid down the banister and took a flying leap, which was the best she could do without breaking bones. Six expects the kind of presents which are not found in fireplaces after Santa Claus' visit. She's looking for bouquets of flowers, huge boxes of candy and other tokens of regard. Sometimes, though not very often, the bell ring announces a neatly wrapped wedding ring.

The Christmas telephone bell is an important feature of the Yuletide. It rings Christmas tidings which formerly were sent on decorative cards, which, with their imitation snow, made handy match scratchers.

The Christmas dinner bell—one at a time, please. Don't all rush in at once!

NEWS NOTES ABOUT TOWN

There was no morning service at the First Parish church last Sunday.

Mr. and Mrs. Chas. Goodnow will leave town Tuesday to be away two weeks.

The freight terminal of the A. S. road is transferred from City Square, Biddeford, to the freight shed on Alfred street.

Remember the Alphabet fair to be given by the Ladies Aid Society of the West Kennebunk church Thursday evening of this week.

P. D. Greenleaf, of the Greenleaf restaurant, was the caterer at the Chic-Maling society wedding at Kennebunkport last Saturday evening.

Miss Mary Nason and Miss Carrie Remick expect to pass the month of February at St. Petersburg Fla. Sarah Frances Wright will return to her home at Durham, N. H.

Mrs. A. F. Winter is taking an enforced vacation of four weeks spending the same with relatives in Boston. She hopes to resume her duties with the Enterprise Press about Jan. 1st.

Charles B. Cleaves, for 18 years treasurer of the town of Dayton and for 65 years a staunch Republican passed away at his home in Dayton last Sunday at the advanced age of 86 years.

"Kennebunk Baptist Brotherhood Class" is the name of a newly organized class at the Baptist church. It is a men's bible class with a constitution and bylaws and has a membership of twenty. An orchestra and other music furnished the entertainment last evening. Next Monday evening there will be an entertainment and Messrs. Chapman, Joy, Welch, Hesp and Galucia will serve light lunch.

Travelers on the Maine Central who pass through Yarmouth Junction now get a little glimpse of preparations for the terrible conflict in Europe. There a large field has been converted into stock yards, where horses will be received for the French Government. The first car load of horses reached there Saturday, and four thousand are expected within a short time. Several barns and shelters have been erected.

At the Board of Trade meeting last evening the question of making the highway between Kennebunk and Kennebunkport a State road if possible was discussed, and it was voted to make it a gravel road rather than try some new kind as an experiment. Every effort is being put forth to create enthusiasm which will result in investigations of existing conditions, so that satisfactory, intelligent voting will not only be an honor to each voter but be a credit to the town, at the town meeting in March.

At the Webhannet Club Monday afternoon, selected readings from the "Pillar of Fire," by Mrs. Tilton, was substituted for Mr. Harry E. Andrews' paper. Sacred music on the Victrola was in harmony with the subject, "The Bible." Mrs. Hammond may continue her talk at another meeting, as her subject was too broad for the time allotted to her.

Col. and Mrs. Charles R. Littlefield leave on Saturday where they will be located at Congress Hall Hotel, Washington, D. C. for the winter. This is the same hotel and suite of rooms they have occupied for the past six winters. They will make a short stay in New York with Mr. Littlefield's son.

The W. C. T. U. meeting held at Mrs. James Fairfield's Friday afternoon was devoted mostly to making plans for the month. Letters containing various requests were read. Plans were made to raise money for the Stevens Memorial Fund and a committee was appointed from the various churches to look after the annual custom of distributing toys at Christmas. The winter sewing school will not be resumed at present. A new feature of the local Union will be to have printed programs next year. It seems necessary to procure reminders of the cigarette law and distribute the same. The Vice President, Mrs. Cram has asked for them and is awaiting their arrival.

WEST KENNEBUNK

Mrs. Frances Jones of Sanford, is working at Kennebunk exchange Saturdays and Sundays.

"Joe The Clothier" of Biddeford recently sent a money contribution toward the Methodist church bell.

George W. Robinson of Edmington, Alberta, Canada has arrived home.

Mrs. Benj. F. Stevens fell Saturday on the stairs at Somerville, Mass., railroad station breaking several small bones in her foot. She is at her home here.

Mr. and Mrs. John O. Nichols observed their 16th wedding anniversary Monday night in a quiet way.

L. W. Nash was in Portland this week caring for Mr. Roberts.

Samuel W. Cousens and family are moving into the Archie Clark tenement on Grove street.

Mrs. Fred Whitten died Monday, cause of death being dropsy. She leaves a husband and one son, Herbert. The funeral occurs this Wednesday afternoon.

Ed. I. Littlefield bought a pair of oxen of Jesse Day Monday. They tipped the scales at over 3730.

NEWS NOTES ABOUT TOWN

Mrs. A. J. Crediford spent the week-end in Boston with relatives and friends.

Much colder temperature and a light fall of snow was the weather bureau for Monday.

Mr. and Mrs. F. W. Nason were in Boston Monday and Tuesday of this week. Miss Amy Clark substituted during their absence.

Louville Jellison was home from Bridgewater, Mass over Sunday a guest of his daughter Mrs. Chas. Hatch.

The Sewing Circle of the W. R. C. was entertained Monday night by Mrs. Bessie Shepard and Mrs. Mary Mitchell at the G. A. R. hall.

Schools resumed session this week Monday the rooms having been fumigated and precautions taken and the danger is now considered past.

Fred Patterson of Chester, N. H. formerly a resident of Kennebunk, shot a fine Buck last Wednesday weighing two hundred and thirty-five pounds. He was of the spike horn breed.

Herbert S. Smith, local station agent, informed the Enterprise by telephone late last Wednesday afternoon of a railroad order recently issued which requires all railroad officials to complain against all trespasses on railroad property. The many accidents which occur from time to time for which the railroad company is really not at fault is the cause of this order.

When returning from the beach Sunday Dr. and Mrs. Starr Barker met a team which was transferring a small building from one locality to another. The horse became frightened and in turning around over the sloping side of the road the occupants were thrown from the carriage. No serious harm was done to either people or team.

W. E. Chandler of Portland but well known here, organized a new band school in Sanford last week.

Wallace Hatch resumed his school work Tuesday of this week after an enforced vacation of several weeks.

Mrs. Lucy Benson has accepted a position at the home of Mr. and Mrs. C. C. Perkins, where she is caring for Mrs. Perkins.

A supper was served at the meeting of Wana Tribe held in the wigwam Monday evening of this week.

Charles H. Goodnow, son of Mr. and Mrs. Charles W. Goodnow of this village, and a student of Phillips-Exeter, '16, won the final in the 300-yard trial on the academy oval last Thursday.

The annual Unitarian Fair, this year by the special name Military Fair, was carried out along the usual lines but rather more extensively than formerly. Elaborate decorations, tastefully arranged, and applied in unusual ways was a noticeable feature. The eight or more attractive tables contained most desirable articles for use, principally. The unusual quick disposal of much of the contents of each table was followed by a fine supper well served and socially enjoyed. Everybody entered into the spirit of the occasion. Mrs. Minnie Pillsbury Ward of Portland and Mr. Clarence Holt of Saco sang duets, solos and encores. The farce "Blighted Buds" was a success because each character took his or her part so well. To see the dignified lawyer selling shoe polish, hair restorer and cheap jewelry was as funny as the part he took so ably. And it was equally amusing to see the quiet milliner publicly display her devotion and persistency to the extent of going upon her knees to a man. The entertainment closed with the audience singing America. The receipts were not quite as large as for some previous years, but were satisfactory notwithstanding being over \$200.00. To Joseph Dane Jr., belongs the credit of the artistic and effective decoration.

VESPER SERVICE

There were about fifty present at the vesper service in the Congregational Church last Sunday evening at 5 p. m. The male quartette consisting of S. Dow, J. W. Lambert, J. Cole and B. A. Smith, added much to the service. The order of exercises were as follows:—

Organ
Hymn, by male quartette
Prayer
Hymn
Scripture
Hymn
Sermon
Hymn
Benediction

Mr. John Waterhouse entered the Lord Twine Corporation as foreman of the card room last Monday. He had been employed by the Leatheroid Manufacturing Co. of this village for a number of years.

\$50,000 SUIT

Ward Brothers of Kennebunk vs St. Croix Paper Company

A case of local interest is that of Ward Brothers company against the St. Croix Paper company, which has a plant at Baileyville in Washington county. Wm. H. Gulliver and Arthur L. Robinson of Portland are counsel for the plaintiff and White & Carter of Lewiston and Frederick P. Cabot of Boston appear for the defendant. Suit was brought in York county for balance claimed to be due for a contract and for damages for alleged non-fulfillment of contract for building a dam, railroad and power plant for the paper company at Grand Falls on the St. Croix river, 19 miles above Calais. The amount claimed for balance due and damages is about \$50,000. The suit was pending in York county supreme court, but by agreement of counsel it is heard before former Chief Justice Whitehouse as auditor. The hearing will take several days. In over forty-five years of contracting this is the first suit this company has ever been engaged in. The many friends of the Ward Brothers are hoping they will win the case.

400,000 MEN SAVED FROM THE LIQUOR DISEASE

In the last 36 years 400,000 men have been saved from the liquor disease by the Keeley Treatment. They were hopeless, despairing---down and out! NOW they have happy homes and families---they have taken a new, fresh start. The sun is shining again!

"Drunkenness Is a Disease and I Can Cure It."

Dr. Leslie E. Keeley startled the world, thirty-two years ago, with this famous statement. Physicians were incredulous. Millions jeered and scoffed. BUT IT WAS TRUE!

Nearly everyone knows---now---that it is useless to abuse or upbraid a man who drinks to excess. His own conscience does that daily, hourly. He is a sick man and can no more cure himself than can a man suffering from smallpox or brain fever.

Yet he can be saved! You, who read this can help him! WE CAN CURE HIM.

What, Then, Is the Liquor Disease.

It is an altered condition of the nerve cells, caused by the excessive use of alcohol, wherein the nerves have become trained to feed on it, and will not do their work except under its influence.

The "craving" or appetite for liquor is not the disease. It is merely the symptom of the disease just as a cough is a symptom of some irritation or inflammation.

When the disease is removed the craving for drink disappears just as the cough disappears when the cause of the trouble is removed.

The World Famous "Keeley Cure."

The Keeley treatment---known the world around as the "Keeley Cure"---is simply the application of reconstructive nerve tonics which remove the artificial alcoholic appetite of the nerve cells and restore them to a natural, healthy condition.

The treatment produces no sickness or nausea.

It requires no restriction or confinement of patients. It leaves absolutely no ill effects.

Hypodermic Injections

In this connection we may call attention to the fact that hypodermic medication is approved by all physicians of standing and all reputable textbooks.

Sometimes quacks and alleged "cure" concerns, advertising nostrums having no merit, prate on the "dangers of hypodermic medication," etc. This is a favorite argument with promoters of several so-called cures, who, having no knowledge of the subject of inebriety or its cure, seek thus to attract attention to themselves.

Only the ignorant are appealed to or influenced by such arguments. They seek to climb by pulling others down. "It is always the tree which bears the best fruit which has the greatest number of clubs thrown at it."

The Keeley treatment can be had ONLY in the State of Maine at The Keeley Institute, 151 Congress St., Portland, Maine. This Institution has been open to receive patients, day and night, during the past TWENTY-FIVE YEARS.

Any claims to furnish the Keeley Treatment in any other way are false.

Results of the "Keeley Cure"

The effect of the Keeley remedies is to absolutely destroy the craving and appetite for drink. The man who takes the Keeley treatment is no longer called on to fight an appetite. The desire and necessity for alcohol are gone.

And the cure lasts! Hear what men say who have been saved!

"This is the twentieth anniversary of my reincarnation and release from the bondage of the

Demon Rum. Completely cured---the accursed appetite never to return."

"I took the cure twelve years ago.---Drink is no longer any temptation to me."

"This is the eighteenth anniversary of my graduation for the God-given institute. I haven't the least desire for drink any more than if I had never tasted it."

We have many, many hundreds of letters, like the above. We never publish names. We will however refer you, with their consent, to men who have been cured.

Full Information on Request.

We have a number of booklets and other printed matter explaining full details of the Keeley treatment. These we will be glad to send, on request, to inquirers.

Information is mailed in absolutely plain sealed envelope.

All correspondence is strictly confidential.

YOU can SAVE that brother, relative, friend, employee from ruin, disgrace and death!

Will you do it?

The Christmas Stocking

HANG up the Christmas stockings:
Leave not a dear one out,
And wake on Christmas morning
With ringing song and shout,
For in the silent midnight
Shall Santa Claus appear
And crown with gifts of gladness
The love time of the year.

Hang up the baby's stocking.
The cunning little elf
Is still too very thin
To do it for herself.
And hang the mother's stocking,
Oh, very plain in sight!
Some one must think for mother,
Or she'll forget it quite.

Hang father's sturdy stocking
Right here between the boys,
And give him books and papers,
As he gives the children toys.
Let Santa Claus be careful
About the politics,
For father has a conscience
That to the right side sticks.

Hang up the old folks' stockings:
Hang up the little girl's.
Dear grandma with her silver hair,
Sweet Flossy with her curls,
Will both be very happy
When dawn, in rosy cheer,
The merry Christmas morning.
The love time of the year.
—Ethel Bridges.

An Owd to the Store.
Now the maiden goes a-shopping, tra la,
To get a present for her daddy, pa, pa,
But when cometh the New Year
A bill will then appear
To her daddy for the price of gift, ha, ha!

Christmas

To us no season of the year awak-
ens so much tenderness and fellow
feeling toward humanity as Christ-
mas. It is not only a time of well
wishing, but kindly doing, with a
ven of sympathy that would turn
no one away empty, without no
tender greeting, no act of kindness,
no word of love that might contri-
bute to another's happiness.

An appreciative Christmas will
rule the baseness, rudeness, rough-
ness out of any life. Christmas
is the time of love. Hatred, envy
and malice can have no Christmas.
Greed and selfishness are entirely
foreign to the day.—Lisbon En-
terprise.

CAPE PORPOISE

Mrs. B. F. Hamilton and Mrs.

last week.

at his home here.

A Pie Social was given by the
Ladies' Aid in the vestry Saturday

The Sunday morning service was
the usual sermon by the pastor,

earnest and interesting one. The

the visiting Deaconess, Miss Rob-
inson of Portland, with a good at-
tendance. Following the Ladies'
Aid on Wednesday afternoon a
Young Peoples' meeting was held,
and on Friday afternoon there was
a Woman's Meeting, both in charge
of Miss Robinson. In all the ser-
vices held by Miss Robinson she
was given close attention. Her

the best wishes of many friends.

MALING--CHICK

On Saturday evening a very bril-
liant wedding took place at the
home of Deputy Sheriff Frank
Chick, when his daughter Marion
L., was united in marriage to Mr.
Robert S. Maling by the Rev.
Thomas Baker under an arch of
evergreen and chrysanthemums.
The double ring service was used.
The ceremony was at 7 o'clock fol-
lowed by a reception at 8. The
bride wore a gown of white char-
muse with a bridal veil caught up
with lilies of the valley and in her
arms carried a bouquet of white
carnations. Bridesmaids were
Miss Muriel Chick and Miss Celia
Martin. Maid of honor was Miss
Grace Littlefield, dressed in green
chiffon over white silk and matrons
were Mrs. Rand and Mrs. Towne.
The bridesmaids wore gowns of
pink satin. Best Man was Mr.
F. Stanley Thirkell and the ushers
were Mr. Alonzo Towne and Al-
bert Rand. Music was furnished
by the Aery Brothers orchestra of
Portland consisting of a banjo,
mandolin, violin and piano. Re-
freshments were served. There
were about 150 relatives and
friends present. The gifts con-
sisted of silver, cut-glass, china,
table linen, bedding, checks, and
gold pieces were among the pre-
sents. One of the handsome gifts
was half a dozen solid silver spoons
from the brides class mates from
the Gorham Normal School with
their names on each spoon. Among
the prominent guests were Judge
Bourne and wife of Kennebunk,
Mr. and Mrs. W. F. Goodwin of
Kennebunkport, Mrs. Bell Huff
Dow and two daughters of Port-
land, Dr. Prescott and wife of
Kennebunkport and Mr. and Mrs.
Fred Coleman of North Kennebunk-
port. The bride and groom were
showered with confetti as they
started for New York on their
honey-moon. They will reside in

Charles Ward the ship builder has put in a bid to build 1 or 2 barges this winter.

A. D. Welch is wiring the Gould house on North street, now occupied by Capt. Bell.

A social and sale will be given at the Baptist vestry on next Tuesday evening, Dec. 14th.

Mr. and Mrs. W. G. Westcott went to Portland Tuesday to buy Christmas novelties for their store.

Supt. Lambert has notified all school children not to trespass or use the Railroad as a short cut.

Mr. Harrison is to erect a new cottage at once on a lot on the seashore front opposite G. G. Davis' cottage.

Miss Beth Merrill is teaching music in the schools of Saco, substituting for the teacher who is ill, of that city.

The December session of the probate court was held Monday at Biddeford and a very large gathering of attorneys were present.

Capt. Welch and A. D. Welch motored to Dover Sunday and attended the Elks' Memorial service and returned home in the evening.

Miss Helen Emery with a friend, Miss Anna Nevin of Sanford, spent the week-end at Miss Emery's parents', Mr. and Mrs. George Emery.

Rev. Bronson of Putnam, Ct., preached at the Baptist church last Sunday, as a candidate. He also conducted the service in the evening.

Henry Brooks purchased from the Davidson Ship Yard at South Portland a motor-boat for fishing purposes. It is to be delivered here this week.

Services on Sunday will be held at Saint Martha's church at 8.30 a. m. This will be the time during the winter until some more convenient time is arranged.

The chorus will hold its rehearsal next Thursday evening at 8.15 at the home of Mr. Charles Chase. This will be the time and day on which rehearsals will be held hereafter.

We are glad to hear that Mr. Lemuel Brooks was not as seriously injured as was reported, although the shock was quite bad. He is now able to be out of doors and is getting along very well.

With nearly 1,000 birds from all sections of New England, the third annual show of the York County Poultry association was held last week in the town hall at Sanford. The attendance was gratifyingly large and the interest keen.

Buff Plymouth Rocks—Chester T. Adams, Kennebunkport, cock, hen, cockerel, pullet, and pen received a prize.

A new state aid road has been built, extending from the drinking fountain at Cape Porpoise to Mrs. Howard Littlefield's residence. A large amount of stone has been crushed for the town for next spring's work and the stone crusher has been put away for the winter.

The high school students in the near future may organize an Athletic Association which will serve as a basis to support every kind of sport that the student body chooses. Each team will be run by individuals composing the team as in the past, but be supported by the school association. This arrangement it is hoped will facilitate the continuation from season to season of the respective teams.

Two rehearsals have been held for Christmas Carols, one at the Baptist church and one at the Congregational. Another will be held next Sunday evening at 8.15 at the Congregational church. All the children who are able to sing should come and practice the carols, as there are many in the vicinity of the town who are invalids, and by singing it would make Christmas happier and more joyful for them.

MAY HAVE BASKET BALL

Through the misdemeanor or carelessness on the part of certain individuals the use of the Town hall for athletic purposes has been prohibited. However, permission to use the hall has been granted to students of Kennebunkport with this stipulation, that the hall may be used provided that there be someone in charge to care for it at each practice game. Arrangements to this effect have been left with the principal. For this purpose and that the high school may have a fund to support athletic organizations a subscription is being taken among the fans and interested people of the town in the hopes of securing enough money to begin a small account.

INTERESTING MEETING

Friday was a very interesting day at the Methodist church. In the afternoon at 2.45 was held one of a series of group "follow-up" meetings which have grown out of the recent Portland Laymen's Convention. The Maine Methodist Conference has been divided into convenient sections, usually including five neighboring pastors, who are captained by another preacher. These ministers have assigned to them the important question that were presented at Portland, and which are also being discussed by leading interdenominational men in some seventy-five of the great centers of the country. Each minister is responsible for presenting one of these topics throughout the group with which he is connected. The group with which Kennebunkport belongs is in charge of The group with which Kennebunkport belongs is in charge of Rev. C. O. Millis, D. D., of Chestnut Street church, Portland. He was the presiding officer on Friday. After the singing of an appropriate hymn, the pastor led in brief prayer, and then Rev. W. P. Holman of Saco was introduced and spoke upon "Community Service," making many valuable suggestions of forms of work that might be taken up either denominationally or interdenominationally for the moral, social and spiritual betterment of the community. He was not a stickler for the close drawing of denominational lines, but insisted that certain lines of activity should be followed without regard to church membership. At the conclusion of his address, opportunity was given for questions and for discussion of the points dwelt upon, and considerable interest was manifested by the auditors. Following this paper, Rev. Mr. Baker was called upon to present "The Fundamental Plan," which he did in a concise manner. The afternoon session closed with the Benediction by Rev. J. M. Chambers of the Congregational church. The ladies of the society served a delightful supper in the vestry at 5.30 o'clock, which was partaken of by a good number of guests. At this repast the visiting ministers were served at a special table. The evening service began at 7 o'clock. Rev. Mr. Brewster of Biddeford spoke on the subject, The Evangelization of the World, and brought out in a striking manner much of the romance of missions, and made clear the good work being done indirectly by the representatives of Christianity on foreign fields. He presented figures and incidents to show the rapid progress now being made in different parts of the non-Christian world. Rev. S. E. Leech of Kennebunk presented the topic of Evangelism, and emphasized the need of personal work on the part of every disciple of Christ. He held that such work intelligently and energetically carried on would result in the effective reaching of many persons who could not otherwise be touched. The meeting closed with the Benediction by Rev. A. L. Leech of Cornish. Rev. F. A. Sullivan of Goodwin's Mills, who had been expected to present the matter of the care of the retired minister, was unable to be present because of the sudden and critical illness of Mrs. Sullivan. He was greatly missed from the gathering. The day was one of real value to the church and it is hoped its influence will be evidenced strongly in the future. Quite a number of members of the other local churches were present to enjoy the occasion.

FIRST OF SERIES GIVEN

Last Thursday evening the first entertainment of the Citizens' Entertainment Course was held at the Baptist church. The opening of the program were two vocal solos by Miss Minnie Sample. Miss Sample has a splendid soprano voice with great volume and her numerous selections, among which were many classical and popular ones that were greatly appreciated. The End of a Perfect Day, The Little Gray Home in the West, were sung beautifully. The Little Chestnuts, which she sang greatly amused the small folks. Mrs. Breed, humorist, was more than funny, especially her selection, Minnie at the Movies, which interpreted at Boston factory girl at a moving picture show. The Marriage over the Wires, displayed her ability in assuming five different tones of voice.

Mr. Adams, violinist, needs no introduction or laud. He is a marvel and the familiar expression, "make a violin talk" is well adapted to his ability. Mr. Adams' many selections of both classical and popular were of the best. Some of his best numbers were, Overture to William Tell, Second Hungarian Rhapsody by Litz, Humoresque.

The audience was allowed to ask the company for any desired numbers. The requests were: Mendelssohn's Spring Song, Nevin's Rosary, Annie Laurie, Auld Lang Syne and The Trail of the Lone-some Pine.

Mr. Adams impersonated Harry Lauder and a little boy, speaking Jack and Jill, a little girl speaking Mary Had a Little Lamb. These wonderful impersonations were played on his violin.

It was thought by all to be the best entertainment which was ever held in Kennebunkport.

A very pretty party was held by Mr. and Mrs. Wainwright Chick in honor of their son Daniel's 12th birthday. The house was neatly decorated for the occasion. About 25 of his playmates and their parents were present. The guests were entertained with music and games after which a buffet lunch was served.
