Gen. Hodson -
Sir.

Will you do me
the favor to examine your monthly
reports since the publication of your
last annual report and see if there
is any additional report of William
B. Palmer of Newfield who was a private
in Co D. Third Reg. Me. Vol. and who
in your annual report is reported as
missing ^{since} Aug 3^d 1863 - His wife has heard
nothing from him, except from some one
in the Co who wrote to her saying that
he was wounded and left upon the
field - She is very poor and desirous
if he is dead of obtaining the Back pay
&c which is due her - If you will

give me the desired information
you will confer a favor upon
Mrs Palmer as well as myself -
I am Yours truly
S. K. Hamilton
