Thanksgiving Proclamation.
The season is at hand when, according to the custom of our people, falling upon the President to appoint a day of prayer and thanksgiving to the Lord our God.

During the last year the Lord has dealt bountifully with us, giving us peace at home and abroad and the chance to our citizens to work for their welfare unimpeded by war, famine or plague. It behooves us, therefore, to recognize the goodness of our God, and to give thanks for the many blessings which He has bestowed upon us.

Ivory & Pond Pianos.

The Conservatory Expands.

The New England Conservatory of Music is about to move into its beautiful new buildings on the Back Bay. This is the largest school of music in the world, and its pre-eminence among American institutions has been recognized ever since it was founded in 1863 by Dr. Eben Tourjee.

Twenty years ago, when the department of pianoforte instruction was being developed, a few Ivory & Pond pianos were purchased. Since then, as the conservatory has expanded, there have gradually been acquired 288 Ivory & Pond pianos. With the expansion incidental to moving into the new building, the board of directors of the conservatory have placed their order for 31 additional Ivory & Pond pianos, making a total of 299.

Higher tribute to this famous Boston art product would be hardly possible than 20 years' continued patronage by this most critical of musical institutions.

Doan's Kidney Pills,
A Modern Medicine for Every Kidney Ill.

Mr. T. H. Hughes, of Saxtons River, Vt., employed by H. E. Locke & Co., says: "My kidneys did not act properly for years, and I gradually became weak. For two or three years I was troubled with my back very much, and my legs were very lame. When the pain in my back got so bad that I could stand no longer, I bought Doan's Kidney Pills, and I used a great many of them, but they only afforded me temporary relief. I also used medicine of all kinds, but they did not reach the cause. I saw the advertisement of Doan's Kidney Pills, and so well recommended, that I was induced to give them a trial, and I got them at Andrew's drug store. They gave me immediate relief. After the treatment I seldom felt any symptoms of my kidney troubles, but when I did I took a few more, and my troubles were cured. I am now strong and healthy, and I can do my work and give all the credit to Doan's Kidney Pills. They did me a great deal of good, and I feel justified in recommending them to others as a good and reliable medicine." Doan's Kidney Pills for sale by all druggists. 50 cents per box. Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. K. Nelson, of New York, writes: "I have been troubled with a weak heart for about four months and it cured me."
