

Pottaug, Nov. 3/63

Dear Governor -

Capt Lumbly will present you with quite a strong case for David ^{S.} Crockett, in the way of a Commission. I told him I had no doubt you would, if you could, do something for him. I hope you may be able, for there is a good deal of interest for the plucky little fellow here & in Westbrook.

The Captain will explain the case fully to you, & you will see that it is one of considerable merit.

Yours truly,
Chas. Holdens.
