Dear

Eli L. Prescott of
Dexter now at home sick - 20th
Main Co D. desires to accomplish
two things. First, he wishes to be
transferred to Camp Hospital,
I think he can receive no active
service again.

Second. He wants his pay,
with which you I suppose have nothing
to do. Can you point-out
any way by which he can
get his pay? or make any
suggestions. He has not been
paid for from 4 to 6 months, and
is very needy.

At any rate let him be
transferred to Camp Hospital, where he
ought to be. Yours Josiah Crosby
