J. L. Howison, Adj't Gen
By request of Betsy Gordon, wife of W^m C. Gordon
I write to you for information concerning her
husband who enlisted in the 3^d Me Regt in
August 1863. Since that time she had letters from
him untill last May when she received the last
one dated in Richmond where he said he was
a prisoner since that time she has never heard
from him now can you give any information
whether he is dead or alive as I suppose you
have reports so that you can tell what becomes
of the men that go into the service from this State
any information concerning him will be thankfully
received. Please direct to Galen Keen
South Montville Me

Respectfully Yours
