

Head Quarters 5th Maine Regt
New Prandy Station Va Feb 14. 1864

Colonel

Sergeant J. W. Littlefield being desiring of
obtaining a Commission in your Command, it
affords me gratification to recommend him as a
young man most worthy of promotion.

He is an original member of this Command
and has recently re-enlisted; he has won for
himself by his bravery and general good character
as a soldier the highest opinions of his superior
officers, and I hope that his application will be
favorably considered.

Very Respectfully
Your Obedt Servt
